Dear Hugh:

In December 2010 the Rotary Club of Peterborough-Kawartha held its annual Christmas Auction. Thanks to your generous contribution, we raised in excess of \$ 20,000 during this event, and a total of over \$ 580,000.00 since initiating this major fundraiser seventeen years ago. Thank You!

All the funds raised go to support the work of our Rotary club at the local and international levels. Projects include the "Super Spring Clean-Up" with high school students in Peterborough, the "Books for Kids" program in conjunction with the Salvation Army Hampers, the Victoria Day celebrations including the fireworks, Camp Kawartha, PRHC. We are also involved in supplying school textbooks to a school in Haiti, construction work at an orphanage also in Haiti, aiding in the work to eradicate polio world wide, and a project providing wheelchairs to people who would not have mobility.

We could not provide this service to our local and international communities if it was not for your support. Again, a heart felt thank you for your support of our Rotary Club and of our service projects.

With Sincere Appreciation,
Yours in Rotary,
