Dear Bob:

On behalf of the Directors, Staff and residents of Sandgate, Women's Shelter of York Region Inc., I wish to thank you for your recent donation in the amount of \$ **325.00**. Thank you for considering our agency a deserving recipient of your financial support.

As you may know, after years of operating above capacity, we have recently opened a second shelter in the south end of York Region and grown from a 10-bed shelter to a 30-bed shelter. Thanks to the generosity of people like you, this expansion has effectively increased our ability to help more women and children. We have also expanded our services to offer a 10-week program for children exposed to violence. This new program runs concurrently with a program for their mothers and is available to all of York Region.

Donations from the community are truly appreciated and we look forward to your continued support of our efforts to stop violence against women.

Sincerely,

Jehan A. Chaudhry
