

Registered Massage Therapist (Full time, permanent)

The Briars Resort & Spa is seeking a skilled registered massage therapist. When you join the team at The Briars, you are joining a family in a tranquil and relaxing environment. We take pride in providing new staff with a warm welcome and excellent care both for our staff as well as our guests.

Our therapists will greet and welcome clients, and develop treatment plans for them that ensures the treatment plans are suitable. To flourish as a registered massage therapist at The Briars Resort & Spa, you should be able to understand clients' needs and expectations while being able to answer all massage-related questions. Ultimately, an outstanding massage therapist should make the client feel secure and safe which develops trust and a memorable experience.

Responsibilities:

- Examining clients to identify painful or tense areas on their bodies.
- Performing various types of massages on clients depending on their needs or preferences, such as Swedish massages, hot stone massages, deep-tissue massages, and Shiatsu massages.
- Discussing clients' medical histories, problem areas on their bodies, and expectations before initial massage session takes place.
- Developing personalized treatment plans for clients that specify the type of massage required, problem areas, and the frequency of massage sessions.
- Advising clients on suitable postural improvement techniques and relaxation exercises.
- Maintaining detailed records on clients' progress and adjustments to treatment plans.
- Ensuring that massage rooms are well stocked with massage supplies, as well as maintaining the cleanliness of treatment rooms.

Job requirements:

- Registered Massage Therapist with CMTO in good standing is required.
- Follow The Briars and departmental policies and protocols
- Proven experience working in a spa, massage therapy centre, or similar environment.
- Sound knowledge of different massage modalities.
- Courteous and professional demeanour.
- CPR training.
- The ability to stand for extended periods of time.
- Effective communication skills.
- Exceptional customer service skills.
- Reliable transportation & time management skills.
- Friendly personality and ability to work as a team.
