We just held our wedding at the Brairs on 05.25.2025 and it was fabulous! The staff really went above and beyond to ensure our wedding went as planned. The food was Devine, the location was absolutely beautiful and the grounds were filled with freshly bloomed spring flowers. Rooms were super cute and vintage, very much what we wanted, a Bridgerton Wedding and that's exactly what we had! Thank you to Danielle and Richelle and the rest of the staff for making our dream wedding come true! We can't wait to be back!
